Derby ovarian cancer support group

Here at Target Ovarian Cancer we're creating an England-wide network of local peer support groups for women with a diagnosis of ovarian cancer.

We're excited to announce that we are launching a support group in Derby!

This will be an opportunity for women living with a diagnosis of ovarian cancer, to meet up monthly, and talk in confidence.

▶ **Starting: Thursday 11th September 2025 – 1pm–3pm**

▶ **Where: A central Derby venue**

**Do you have a diagnosis of ovarian cancer?
Would you like to attend or be interested in facilitating the group?**
